

# Crape Myrtle Varieties

## WHITES

Ebony & Ivory (aka Black Diamond 'White')	White	10-12'	Striking white blooms with contrasting black foliage. Good fall color. Mildew resistant. Drought tolerant.
Natchez	White	20-30'	Crape Myrtle with high mildew resistance and glossy dark green leaves. Heavy bloom clusters cause the tree to appear to "weep". Vibrant orange-red fall color. Attractive cinnamon-colored exfoliating bark.

## PURPLES

Muskogee	Light Lavender	20-30'	Broad tall tree. High mildew resistance. Glossy green leaves. Red-orange fall color. Attractive exfoliating bark.
Catawba	Violet Purple	10-20'	Darkest purple crape myrtle. Upright growth habit. Red-orange fall color. Good mildew resistance. Average exfoliating bark.
Zuni	Light Lavender	10-12'	Globose form. High mildew resistance. Red-orange fall color. Good exfoliating bark.
Princess Jaden	Lavender	1'-2'x1'-2'	This slow grower reaches only 1'-2' tall and wide, and is perfect for borders or narrow plantings. The lavender flowers appear summer through fall. Leaves turn copper to reddish-purple in the fall.
Velma's Royal Delight	Magenta-Purple	6'-8'	Large arching clusters of magent-purple flowers last for an extra-long bloom time in the summer. Upright, compact growth habit to 6'-8'.
Grape Belini	Purple-mauve	3'-4'	With a dwarf, mounding habit to 3'-4' tall and wide, this Crape Myrtle is highly resistant to Powdery Mildew. Looks great in groupings or masses.
Black Diamond 'Purely Purple'	Vibrant Purple	10'-12'	Vibrant purple blooms contrast against dark, almost black foliage, which holds its color spring to fall. High resistance to mildew.
Twilight	Dark Purple	20'-30'	Prolific bloomer with upright branching habit. One of the darkest purples available.

## REDS

Ebony Flame (aka Black Diamond 'red')	Red	10-15'	Vibrant, dark red flowers contrast with black foliage. Mildew resistant. Heat tolerant. Holds color through summer.
Double Feature	Ruby-Red	6'-8'	Wine-red foliage with ruby-red blooms forms the "double-feature" on this colorful Crape Myrtle. Forming almost a perfect ball, it grows to 6'-8' tall and wide.
Victor	Deep Watermelon Red	5'	Upright dwarf variety. Exfoliating bark. Red-orange fall color. Good mildew resistance.
Siren Red	Oxblood Red	10'-15'	New growth is wine, then quickly changes to green. The darkest red blooms yet. Grows to 15' tall and 8' wide.
Dynamite	Dark Cherry Red	20'+	Upright growth habit with dark red flowers. Good mildew resistance. Glossy green leaves.
Red Rocket	Dark Cherry Red	20'+	Fast growing upright growth habit. Holds blooms above foliage. High mildew resistance. Glossy green leaves.
Princess Holly Ann	Cherry Red	3'x3'	Leaves emerge a copper-red in spring, turning dark green in summer and purple-red in fall. Cherry-red flowers appear summer through fall. A mounding grower to 3' tall and wide.
Black Diamond 'Best Red' aka 'Ebony Flame'	Dark Cherry Red	10-15'	Vibrant, dark red flowers contrast on black foliage. Mildew resistant. Heat tolerant. Holds color through summer.

## PINKS

Tuscarora	Deep Coral Pink	20-25'	Fast Growing. Highly resistant to powdery mildew and leaf spotting. Beautiful red-orange foliage in the fall. Excellent exfoliating cinnamon brown bark.
Tonto	Dark Pink to Red	8-12'	Bright maroon fall foliage with high mildew resistance. Globose compact form. Attractive exfoliating bark.
Ebony Glow	Blush Pink, almost White	10'-12'	Intense, black leaves contrast with the almost white blooms on this release by the U.S. National Arboretum. Blooms summer through fall.
Princess Kylie	Magenta	3'-4'	Perfect for mass plantings, this moderate grower reaches 3'-4' tall and wide. Magenta flowers appear summer through fall. A drought-resistant variety.
Princess Zoey	Red and Pink	4'-5'	Red and pink flowers adorn this plant from summer to fall. The dark green leaves turn reddish-purple in the fall.

## PINKS

Princess Lyla	Rose-pink	1'-2'	Rose-pink flowers bloom from summer to fall on this diminutive Crape Myrtle. Reaching only 1'-2' tall and wide, it is perfect for containers or borders. Dark green leaves turn gold in the fall.
Pocomoke	Rose-pink	2'-3-	A "true dwarf" Crape Myrtle released by the U.S. Arboretum, Pocomoke has dark green foliage topped with rose-pink flowers from mid-summer to fall.
Rhapsody in Pink	Soft Pink	10'-15'	A vigorous grower with dark wine colored new growth and soft pink flowers. Drought tolerant and mildew resistant. Prolonged flowering season due to new flower buds being formed on old flower panicles.
Pink Velour	Bright Neon Pink	10-20'	Upright fast growing cultivar. Dark orange fall color. Fair mildew resistance.
Black Diamond 'Mystic Magenta'	Magenta	10'-12'	Magenta blooms contrast with dark, almost black foliage on this striking tree.
